Never.. never! neve Never giveup! Never !!

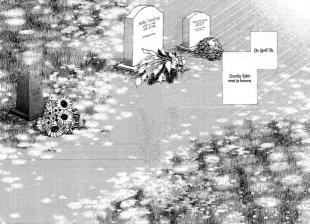

The 12th Angel - End

When I found myself dispirited while writing this maps, I is found myself recounting in my head limithy's exhortotion to. "Never give up! like John, I was yet another person supported by limithy, And in many ways, I feel like it was because of his support that I was able to complete this mange. I cannot tell you how grateful I am to have encountered this story. Should you ever hove the chance, I would hearthly encourage you to read the novel version of "The 12th Angel." I think that you will be able to experience much more than by just reading this.

I would like to thank my incredible editors, especially Fijiwara Sunashi and Harado Daiki. Finally, I am grateful to you, my readers, from the bottom of my heart. I would be deliathed if we could meet again. Itelio Inst is less fuboro
